PRESS RELEASE #4 / 06.11.2015

## JESSICA SPRINGSTEEN WAS BORN TO JUMP

First to go both in the qualifier and in the jump-off of the big class of the day, Jessica led prize n. 6 PRESTIGE all the way through. The fastest and most precise of the 43 riders at the start, Jessica was all smiles at the end of the day: *"I have been working hard for this since I started riding at three years old.*

*I have been riding Davendy S for a little over one year, but the connection with her was very fast to establish and I have already won a few*

*classes at this level with her. I love Italian shows because of the nice things Italy offers and I think Verona is one of the best indoor shows, because everything is very well organized and perfect to work with the horses. Moreover the schedules are great because we also have the time to enjoy the magic of Verona a little bit. On Sunday I will not be riding in the big classes because I still don't have a horse for that level... "*
